ADVANCE PRESS SCREENINGS

Press screenings begin as early as August.

Press must begin screening at least 8 weeks in advance to run film reviews during the festival and to consider interviews. If you want reviews and if you prefer theatrical screenings, please be prepared to ship within a 6 week period beginning in August. 35mm prints that must be returned and shipped again for the festival showing will be at the expense of the filmmaker. We also have the capability to theatrically screen on DVD and VHS (NTSC) if it is of top quality (made from the original print). Advance theatrical press screenings will not be scheduled until we have received the print of your film.

SHIPPING

All features and documentaries must be received by October 3. You are responsible for shipping to the Festival and the Festival will return the print at our cost. The Festival reserves the right to retain any award winners until the final day of the Festival. All other films will be returned the day following their final screening.

TRAVEL AND ACCOMMODATION

The Festival has numerous travel partners including hotel, rental car and airlines. Special discounts are available. Please contact our Travel Relations Coordinator for more information at 954-760-9898
